**TAX ADVANTAGES**

---

The Indiana tax credit is 50% of your total contributions to Indiana University School of Law – Indianapolis, limited to a maximum credit of \$100 for a single individual’s tax return and \$200 for a married couple filing a joint return. This credit is applied directly against the taxes on your Indiana state income tax return. (Use Indiana Department of Revenue Form CC-40).

The federal income tax deduction for charitable contributions is also available for donations to Indiana University School of Law – Indianapolis by individuals who itemize deductions on their federal income tax return. This deduction reduces the amount of taxable income subject to the federal income tax, and the amount of taxes saved depends on each individual’s tax bracket.
