Pro Bono Program

Indiana University School of Law
Indianapolis

Student Log of Pro Bono Hours

Name:_____ **Grad Year:**_____

Agency/Organization Name:_____ **Date Project Began:** _____

Instructions: *Student is to keep a record of hours devoted to the project (to the nearest quarter hour), the date performed, and a very general description of the work (e.g. legal research). At the completion of the Pro Bono Project, the supervisor needs to sign the Hours Log to certify that he/she believes this to be an accurate description of the work the student has completed. By submitting this log the student certifies that the information contained is true.*

Date	Description of Work	Hours

I certify that the hours and work described are accurate _____

Supervisor's Signature
